

# Kalamunda Rangers

## Pre-State Carnival Information

**Date:** Saturday, 23 January 2016

**Venue:** Maida Vale Reserve  
Acacia Road, Maida Vale

**Parking:** Our main carpark is located at the end of Acacia Rd (off Gooseberry Hill Road), Maida Vale. Other parking is available from the Ridge Hill Road access or at the netball Courts located on the corner of Midland & Ridge Hill Roads, Maida Vale. Please refer to the attached Maida Vale Reserve Layout for details.

**Committee:** Kalamunda Rangers Carnival Committee members will wear high visibility identification shirts and will be available throughout the carnival to answer any queries.

**Games:** There will be no official Coaches Meeting. Game duration will be 50 minutes commencing and finishing on the siren controlled by the officials at the canteen. A siren will sound at the commencement and conclusion of each game. In the event of playing on a distant diamond, games will start and finish by the plate umpire's watch.

To maximise the amount of playing time and the enjoyment of all involved the following conditions will apply:

- The fielding team must be in position on the Diamond before the starting siren sounds;
- Except for injuries, time calls by Coaches are not permitted;
- Change over times between innings should not exceed 1 minute; and
- All players and coaches are required to vacate the diamond as soon as practicable following the completion of your game to ensure a smooth changeover (please allow teams to vacate the dugouts before attempting to set up for your next match)

At the sound of the finishing siren any play in progress will be completed. However, no further play is permitted.

In the case of an incomplete inning the score for the game will only revert back under the following conditions:

- *The team batting second is behind; and/or*
- *The team batting second has not commenced their turn at bat*

### **Equipment:**

**Bases:** Kalamunda Rangers will supply bases. **Both teams are to collect and pack all bases at the completion of the last game.** Please leave these on your Diamonds for collection.

**Tees:** Each participating team is to provide their own Tee. As per State Championship rules fold down Tees are permitted. (Teams are not permitted to change tees during their batting inning unless due to faulty equipment)

**Game Ball:** Teams mentioned first in the fixtures are to supply a good-quality game ball.

**Shades and Benches:** Kalamunda Rangers will supply shade for scorers only and are to remain on the relevant diamond. Teams playing in the last timeslot please pack away scorers shade and place with bases at home plate, thank you.

There will be limited shades available for teams to borrow if required. This will be on a first in, first served basis. Team shades are to be signed out and then returned and signed in at the end of the day. Clubs will be responsible for any damages and/or shades that are not returned. (Please note. These are not pop up shelters; they are gazebos with poles that must be put together.)

Supporters must supply their own shade tents. Teams are to supply their own benches.

**Umpiring:** Teams mentioned first in the fixtures are to supply the plate umpire, occupy the first base line(#) and field first. Teams mentioned second are to supply the base umpire, occupy the third base line and bat first. In the event of a team playing on the same diamond again, then commonsense should prevail and that team can remain where they are positioned. **(Parents must sit behind the Dead Ball Line; no games are to commence unless all parents are situated behind the parent line)**

#Note : Kalamunda Rangers teams will occupy the same dugout throughout the carnival, regardless of whether they are listed first or second.

**Scorers:** Each Club team is responsible for providing a scorer for each game. Teams are to supply their own Scorebooks. Score Cards are not kept. Scorers should make a note in the Scorebooks if an injury occurs, including player' name, time and nature of injury. Accident report forms are available from the Canteen.

**Dress:**

- All umpires, coaches (including base coaches), managers and other team officials **MUST** wear enclosed footwear, a shirt and hat (no sandals, thongs or singlets permitted). Coaches should preferably be in Club colours.
- Jewellery is not permitted on the diamond, unless it is a Medic Alert Bracelet or Necklace. These must be taped securely to the body.
- Pitchers in all age groups must wear a helmet complete with face guard and a Chest Plate.
- Batters and base runners in any age group where baseballs are being used **must** wear helmets.

**Pre-match Warm-Up:** Allowed in designated warm-up areas only or on playing diamond just prior to game.

**First Aid:** Will be available at the clubrooms. Please see Canteen if required.

**Toilets:** Are located at the rear of our complex facing the carpark (see ground map).

**Canteen:** A full canteen service will be available during the games.

**Heat Management:** In accordance with TBAWA Hot Weather Policy:

- All players must have a water bottle and each team must have their own water container on hand to replenish bottles. Tap water will be made available if you require it – please see the canteen. Water will also be available for sale during the day from the canteen and mobile drinks cart.
- Sunscreen should be applied to all players. This should be arranged with the parents to ensure it is applied correctly.
- Shade covers will be provided for scorers only. Players should be kept under cover or in the shade when not on the diamond or in the warm up circle.
- Water spray bottles should be used for cooling players down when they come off the diamond.

This Carnival will not be cancelled. Kalamunda Rangers Committee will make a decision at 12.30pm as to the remainder of the day's play. Specifically:

- The current temperature shall be taken from the Bureau of Meteorology website at 12.30pm (or as close as possible).
- If the current temperature is over 40 degrees Celsius and it has not yet reached the maximum forecasted temperature for the day, games played during the afternoon session will be shortened to 40 minutes.
- If the current temperature is over 40 degrees Celsius and it has reached the maximum forecasted temperature for the day, games played during the afternoon session shall remain at 50 minutes.

- For some fun and as part of our Heat Management Procedures to keep everyone cool, our carnival will feature the **Monsterball - Pacific Water Slide** for all players, coaches and spectators (ages 3 to adult) from 11.00am to 5.00pm. It is 18metres long and 7metres high. All-day wrist bands can be purchased for \$10.00 per person from the canteen. Don't forget to bring your towels!

**Smoking:** Kalamunda Rangers would like to advise all those attending that the oval is a smoke-free zone; therefore we discourage anyone from smoking in the vicinity of the diamonds, failure to remove yourself from the playing area when requested will result in a forfeit.

**Alcohol:** Kalamunda Rangers is a licensed venue and BYO is strictly prohibited. The bar will be open for service at the completion of the carnival and must be consumed in licensed area. Anyone found drinking alcohol during the Carnival will be removed for the rest of the day and this will also result in forfeiture of the game.

**Littering of Grounds:** Please use bins provided and keep areas clean

Should you require any additional information in the interim, please do not hesitate to contact Karen White 0419 931 658.

We look forward to welcoming you to Maida Vale Reserve.

***Annaliese Arndt***

President, KALAMUNDA RANGERS INC.

***Thank you for attending our Carnival.***

***Good luck to all Clubs***
